

Sick Leave Policy

1. Sick Leave Allowance

Employees are provided with **10 days** of paid sick leave per calendar year to recover from illness or injury.

2. Medical Certificate Requirements

If an employee is absent due to illness for more than two (2) consecutive working days, a valid medical certificate from a registered healthcare professional must be submitted to HR upon return.

3. Reporting Procedure

Employees must notify their direct manager and the HR department via email or phone call no later than 9:00 AM on the day of absence. Failure to report may result in the absence being marked as unpaid leave.

4. Extended Illness

In cases of prolonged illness exhausting the 10-day allowance, employees may apply for extended medical leave or short-term disability subject to HR review and policy guidelines.
